

MFPL Group Leader

Gustav Ammerer

Citizenship: Austria

Date of birth: January 7, 1952

Place of birth: Vienna, Austria

Education

1972-1979 PhD at the University of Vienna, Austria

1994 "Venia legendi" in Biochemistry and Genetics, University of Vienna, Austria

Postgraduate Training

1980-1983 Postdoctoral Fellow, University of Washington, Dept. of Genetics, Seattle, US

Fellowships and Awards

1981 Max Kade Fellowship, Austrian Academy of Sciences

1985-1987 EMBO Long Term Fellowship

1994 Member of EMBO

2007 Gold Medal of Masaryk University Brno, CZ

Professional employment

1983-1985 Senior Scientist, Zymogenetics Inc., Seattle, US

1985-1987 Visiting Scientist, Laboratory of Molecular Biology, Medical Research Council, Cambridge, UK

1988- 1993 Visiting Scientist, Institute of Molecular Pathology, Vienna, Austria

1993- Associate Professor, Vienna Biocenter, Dept. of Biochemistry, University of Vienna

2004- Scientific Coordinator of Mass Spectrometry Unit, Vienna Biocenter

2005- Head of Christian Doppler Laboratory for Proteome Analysis, Vienna Biocenter of the University of Vienna

Career-related activities

1985- Reviewer for scientific journals, grants and fellowship organizations (Nature, Science, Cell, MCB, MBC, JCB, EMBO J and more, Human Frontiers, EMBO, DFG)

1994-1998 Member of the Austrian Scientific Committee for Gene Technology

1994 Organizer of EMBO Course on yeast genetics of the cell cycle and cell signaling

1981-1983 Patents on heterologous gene expression in yeast, University of California and University of Washington, US

1998- Co-founder of VBC Genomics Inc., Vienna

2001- Founding member and director of Museum of Genetics, Abbey of St. Thomas, Brno, CZ

1989- Supervision of 21 thesis (16 PhDs and 5 Diplomas)

1979- 49 peer reviewed publications in scientific journals, 7 reviews
